*“The Church firmly believes that human life is always a splendid gift of God's goodness.” ~ Familiaris Consortio, 30*

The love of husband and wife is a unique participation in the mystery of life and of the love of God Himself. There is great joy in remaining true to God's beautiful plan for human sexuality. Developed by medical researchers who combined their thorough knowledge of human sexuality with their profound faith in the perfection of God's plan for marriage and sexuality, modern fertility awareness methods teach couples to incorporate a respect for and understanding of the hormonal changes present in the female body to achieve or avoid pregnancy in the context of God's plan for human sexuality in marriage.

## Offretory Song

*We are Called*

By David Haas

Come, live in the light

Shine with the joy and the love of the Lord

We are called to be light for the kingdom

To live in the freedom of the city of God

[Refrain]

We are called to act with justice

We are called to love tenderly

We are called to serve one another

To walk humbly with God

Come, open your heart

Show your mercy to all those in fear

We are called to be hope for the hopeless

So all hatred and blindness will be no more

[Refrain]

Sing, sing a new song

Sing of that great day when all will be one

God will reign and we'll walk with each other

As sisters and brothers united in love (united in love)
